Quality Area 5 – Relationships with Children

Element 5.1.1 –

Positive educator to child interactions: Responsive and meaningful interactions build trusting relationships which engage and support each child to feel secure, confident and included.

School Readiness

Independence/self-help skills are an important part of Waterford Early Learning Centre's school readiness program.

Children are provided with a multitude of opportunities throughout the day to participate in self-help skills as a part of their everyday routine.

EYLF Outcome 3 – Children have a strong sense of wellbeing.
